GLOSSY DECOR COLLECTION

600x
1200mm

The aesthetic of this collection is contemporary & sophisticated, characterized by a dominant geometric motif. Interlocking squares and rectangles, rendered in varying shades of grey, create a dynamic and visually engaging pattern against a light grey backdrop. The pattern is characterized by a sense of depth and movement, achieved through the interplay of light and shadow on the glossy surface. The tile's glossy finish amplifies the vibrancy of the design, reflecting light and creating a luminous effect. This high-shine quality positions the tile as a statement piece, capable of transforming any space with its opulent appearance.
